

The American Institute of Architects celebrates 150 years of working with each other and their communities to create more valuable, healthy, secure sustainable buildings and cityscapes. AIA Birmingham will celebrate 42 years of providing quality programs and services to our members in the greater Birmingham area. We hope you will join us in the celebration!

Throughout the years, AIA has depended upon our friends in the design and construction industries for sponsorship support. This assistance remains essential to the successful accomplishment of Birmingham AIA's mission of serving its members through quality professional development programs and to continue its community outreach efforts.

The Birmingham AIA Executive Committee and membership appreciate our supporters' past sponsorship and encourage your continued patronage toward our 2007 programs and events.
