& ARCHITECTURE EXHIBIT

# BUILDING WITH BRICKS

MARCH 25 - APRIL 1  
**2023**

**“Building with Bricks” celebrates architecture through a hands-on design/build experience for both kids and adults and features the following:**

## DESIGN ROOM

It's time to show us your brick creations!  
Use your imagination to create your best architectural designs using LEGO bricks with an architect or engineer to help create the coolest building.

## ARCHITECTURE EXHIBIT

Featuring projects & architectural models from local architects, designers, and structural engineers. Come gather inspiration for your next renovation, office, new construction, investment property or home! Learn how to read drawings on site.

## SCAVENGER HUNT

Attendees will find architectural aspects in the displayed project boards from local firms!

## HOW IS THE ACFA MARKETING THIS EXHIBIT?
