

AMERICAN INSTITUTE OF ARCHITECTS

Continuing Education System

AIA/CES Registered Provider Program Summary

Course Description

An examination of the new *Poly-Ash* category of exterior trim products as it relates to other types of trim, specifically around the areas of installation, longevity, maintenance and sustainability.

Learning Objectives

- Identify the various categories of exterior trim
- Understand key attributes of each exterior trim category
- Define the *Poly-Ash* category of exterior trim
- Identify key applications and installation guidelines for *Poly-Ash* products
- Discuss the sustainable advantages of poly-ash trim products

Target Audience

Architects, owners, specifiers and other design professionals in the residential, commercial or multi-family markets.

Instruction Method

Facilitator may use a Powerpoint presentation or handouts, depending on audience size.

Audio Visual Required

A screen and electrical power are required. The facilitator will provide laptop and projector, as necessary.

Facilitator Qualifications

All facilitators will be Boral TruExterior Sales personnel, or Distributor product specialists who have undergone training on CES guidelines and presentation skills.
